

Course Overview

A25 MEWP Scissor

Number of Candidates: 1 – 4

Course Duration: 2 days

Course Outcome: CPCS Red Card

Introduction

This course is designed for plant operatives who have a minimum of 12 months on-site experience operating a MEWP Scissor.

Aims & Objectives

To provide the candidate with the knowledge and skills that will enable them to pass both the elements of the CPCS Technical Tests

Course Delivery

This course will consist of practical hands-on training as well as classroom-based training to prepare candidates for the theory test. All candidates are provided with the questions and are encouraged to read this prior to attending the centre

Location

All course take place at ITS PLANT TECH

Certification

Successful candidates will achieve a Red CPCS Trained Operator Card valid for two years. During this two-year period candidates will need to achieve the relevant plant NVQ that will enable them to upgrade their Red Card to a Blue CPCS Competent Operator Card.

Candidate Eligibility/Entry Requirements

It is important that all candidates have a good understanding of spoken and written English and have the operating experience of the machine. Candidates must have a passed the CSCS H&S test touch screen within two years of taking the CPCS technical test.

Additional Information

Candidates should bring appropriate PPE and Photo ID
