

## Course Overview

### A56 Articulated Dump Truck

**Number of Candidates: 1 – 4**

**Course Duration: 2 days**

**Course Outcome: CPCS Red Card**

#### Introduction

This course is designed for plant operatives who have a minimum of 12 months on-site experience operating an articulated dump truck.

#### Aims & Objectives

To provide the candidate with the knowledge and skills that will enable them to pass both the elements of the CPCS Technical Tests

#### Course Delivery

This course will consist of practical hands-on training as well as classroom-based training to prepare candidates for the theory test. All candidates are provided with the questions and are encouraged to read this prior to attending the centre

#### Location

All course take place at ITS PLANT TECH

#### Certification

Successful candidates will achieve a Red CPCS Trained Operator Card valid for two years. During this two-year period candidates will need to achieve the relevant plant NVQ that will enable them to upgrade their Red Card to a Blue CPCS Competent Operator Card.

#### Candidate Eligibility/Entry Requirements

It is important that all candidates have a good understanding of spoken and written English and have the operating experience of the machine. Candidates must have a passed the CSCS H&S test touch screen within two years of taking the CPCS technical test.

#### Additional Information

Candidates should bring appropriate PPE and Photo ID
